Local Indent No. 14418.

S.P.C. Enquiry No. 12212—Rate Contract for the supply of Electric Lamps to Government Departments during 1954-55.

Gentlemen,

No. S.P.C. 9911-12. With reference to your quotation No. 12966/528, dated 14th April 1954, and as agreed to by the Controller and Chairman of the Mysore Lamp Works in his note dated 8th May 1954, I write to request you to please enter order for the supply of the following to the several departments of Mysore.

This contract will be subject to the following conditions:—

1 The contract will be in force up to 31st March 1955. Supplies, if any, made to the departments from 1st April 1954, when the last contract expired will also be billed at the rates accepted in this order. If during the currency of the contract there should be any reduction in prices of electric lamps owing to the reduction in the cost of raw materials and labour, we should be entitled to the benefit of such reduction.

2 The number of lamps to be purchased under the contract will depend on the requirements of the Departments. The contract should be deemed to be limited to the actual quantities indented for.

3 All indents from the departments should be complied with within a week from the date of receipt. In the case of large orders when due to want of stock the lamps have

to be manufactured, an extension of time up to one month from the date of receipt of indent will be allowed in order to complete the supply.

4 The lamps should conform to the specifications given with the enquiry and the schedule and to the latest B.S.S. as regards quality and efficiency. Supplies not conforming to specifications will be liable to rejection at your risk and cost.

5 The useful burning life of the lamps up to an average of 1,000 hours should be guaranteed. If the life of the lamps falls below this limit, you should be prepared to accept a proportionate reduction in price or supply sufficient number of lamps to make up the shortage in life.

6 The lamps should be supplied in sound condition, breakages, if any, should be made good, free of cost, to us.

7 The lamps to be supplied should be branded with the words "MYSORE GOVERNMENT" 1954-55.

8 The Stores Purchase Committee reserve the right to get sample of the lamps supplied by you tested from time to time for determining their life and efficiency. The cost of such tests will have to be borne by you. The results of such tests will be made applicable to the entire lot of lamps supplied on a particular order.

9 In the event of delay in making supplies or failure to execute the contract satisfactorily, the Stores Purchase Committee reserve the right to cancel the order and arrange for the purchase of the lamps elsewhere debiting the extra cost incurred thereby to you. In such an event, they also reserve the right to levy a penalty of three per cent of the value of the order as and by way of liquidated damages.

10 Bill of cost should be sent to the Indenting Officers direct for payment.

11 The above local indent number should be quoted in all correspondence relating to this order.

Please acknowledge receipt.

Enquiry No. 12271.

Supply of Liquid Chlorine for Water Purification during 1954-55.

Local Indent No. 14425.

Gentlemen,

No. S. P. C. 9507. With reference to your quotation No. S.L/92, dated 31st March 1954, received in response to the above enquiry, I write to state that your offer to supply Liquid Chlorine required for Water Purification in the several Water Works in the State is accepted. You may supply the materials, on receipt of indents for the same from the Executive Engineer, Water Supply Division, Bangalore, Chief Electrical Engineer in Mysore, Bangalore, Controller of Central Stores, Public Works Department, Bangalore, or from the Officers in-charge of the Water Works who may be authorised by the above Officers to draw supplies under this contract.

The approximate quantities are as follows:—

1. Water Supply Division, Bangalore ... 280 Cylinders of 150 lbs. each.
2. For Electrical Department at Jog ... 12 Cylinders of 150 lbs. each.
3. For any other Departments also if required.

The price of the "Cauvery Brand" Liquid Chlorine will be Annas 6 per lb. naked f.o.r. Mettur Dam R. S. Sales-Tax wherever leviable being extra.

The contract should be deemed to be limited to the actual quantities to be indented for.

This contract will be in force from 21st May 1954 to the 31st March 1955 unless terminated earlier.

Please note that the material should contain not less than 99·9 per cent Chlorine and should conform to the high standard of quality required for water purification for drinking purposes. If the supply is not in accordance with the required specification it will be liable to rejection at your risk and cost.

The supplies should be effected within two weeks from the date of receipt of indents urgent requirments being complied with immediately.

In the event of delay in supplies or failure to perform the contract satisfactorily, the Stores Purchase Committee reserve the right to cancel the order and arrange for the purchase of the material from other sources, debiting the extra cost incurred thereby to you.

We note that the supplies to be made by you would be subject to the following conditions :—

1. The material would be supplied in your own cylinders of 68—75 lbs. and 150 lbs. capacity. The empty cylinders will be returned within 4 months from the date of receipt, as there will be transport difficulties to return them earlier.

2. If the empty cylinders are not returned within the free periods referred to above, rent will be payable to you at the rate of annas 12 per week or part thereof per 68—75 lbs. cylinder and Rs. 1-4-0 per week or part thereof per 150 lbs. cylinder.

3. The empty cylinders have to be returned to your works at Mettur Dam Freight pre-paid. Care has to be taken that the cylinders are returned complete, with caps tightly screwed down. The R—R must definitely state that the cylinders are complete with caps. The Schedule of charges for damaged or lost cylinder parts will be as per schedule enclosed.

4. Since you have claimed exemption from payment of security deposit, no deposits will be made by the departments likewise in your favour towards the empty cylinders, which will remain with the departments during the rent-free period.

5. In the event of any cylinder being lost or irrepairably damaged, a sum of Rs. 275 is payable per cylinder irrespective of its capacity, if the breakage or loss is established.

The bill of cost in duplicate, the original being stamp receipted should be sent direct to the indenting officers for arranging payment.

The above Local indent number should be noted in all correspondence relating to this order.

Please acknowledge receipt of this order immediately. Along with your supply, please send to the purchasers your printed copies of terms and conditions of supply for their guidance.
